## Who We Are...

### West Charlotte County Republican Club

Chartered by the Republican Party of Florida (RPOF), WCCRC exists to bring Republicans in the West Charlotte/Englewood area together. We offer our members the means to establish contact with like-minded individuals and speak with local leaders and officials. Our meetings provide a forum for candidates seeking public office, as well as local, state and national elected officials a place to meet and interact with constituents.

We actively promote conservative ideals and provide a source of Volunteer help in support of Republican Candidates in local, state and national contests.
